

Surrey Care Record

The Surrey Care Record is an Electronic Health Record (EHR) linking system that brings together patient/client's information across health and care systems in a secure manner, giving a summary of your information which is held within a number of local records.

For more information see: www.surreyheartlands.uk/surrey-care-record-privacy-notice

You have the right to object to information being shared for your own care. Please speak to the practice if you wish to object. You also have the right to have any mistakes or errors corrected.
